A website you'll love. Handled for you.

Custom designed. Hand coded. Cared for.
You focus on your clients. I handle the website.

Recently launched: Flourish by Design™ · flourishbydesignliving.com

Fully custom.

We work closely together to capture your vision and style. Then every page is designed and hand coded around your practice and your clients.

Practice Better, built in.

Clients book sessions, choose packages, and pay online. Everything flows into Practice Better.

Updates, handled.

Email a change, like new terms or a new offering, and it simply gets done. That's it.

Found on Google.

SEO foundations and mobile first design, so the right clients can actually find you.

Plans from $175/month. Practice Better integrations from $385/month.

Danny Skelley. Detroit area designer with Fortune 100 product design experience. You work directly with me, from first draft to launch.
